Committee Purpose: To develop a slate of potential candidates

Annual Goals and Objectives:

To provide at least three outstanding candidates for each position open. President-Elect, Member-at-Large and Secretary.

Progress since Last Report: *We have sent out e-mail, to encourage membership to nominate officers. We have also made decisions on how we will select officers.*

Problems: Everyone is interested in the Member-at-Large position. There has also been a lot of interest in the President-Elect position however we are looking for more nominations for secretary.

Next Steps: Continue to encourage membership to run for office.

Need for Action or Feedback from Governing Council:

None at this time.
